Kreveres in Queretaro

Mira Micaiah

! What's Next for the Krevere FAM ?!!!

Well the ministry here has seen some amazing blessing over the past few years and lately there have been some exciting opportunities with the local church! So after praying about it and seeing the work still to be completed we feel confident God wants us to continue leading the team here in Queretaro...to equip the local church in reaching university students for Christ! We plan on returning to the States around the first of the year to share with you some of what God has done and is continuing to do through the ministry in Querétaro.

Prayer Requests...

- Our Marriage!
- Ministry plans with local church & University ministry
- Friendships for the sake of eternity: Octavio, Jaime, Charlie
- Discipleship and growth: Sophia, Coca-Rogelio & Martin

Fall Retreat

Mud crawl, tug-a-war, worship, vision casting, team building and FUN. For the first time, the retreat included more than just the full-time staff, but also included students leaders who are teaching classes, working in the K-fe and leaders of the university group!

Leading us through the weekend was pastor from a Trinity church in Michigan, our local Mexican pastor (Larry), and a youth pastors from another local church.

Check out www.krevere.com for more pictures of the Craziiness!

First K-fe Missionary

Over the past year that Julian has been discipling Rogelio (Roger). Rogelio has been a huge asset to our team by leading the University group ministry and working in the café. In the recent months, he has decided to move to Italy as a missionary to begin a University ministry in Milan. He has a passion to take the core values of this ministry to students in Italy.

(Camping outing with Rogelio before he leaves in late September...he's the big one)

New Team Member

Lluvia, a national involved with our team through the University group and leading a seekers study recently married Justin Hoste, one of our North American missionaries. It was an honor for Whitney to serve as a bridesmaid at their wedding. Please pray for the newlyweds as they return to the states for a few months to raise support.

Queretario Quickies

- 7 - # of teeth for Micaiah
- 2- # of girls Whitney has recently got the opportunity to disciple
- 3 - # of days Julian watched Micaiah solo for Whitney's ladies retreat at church
- 104+ -Whitney's fever temperature after getting some bad food
- 45 - minutes late a wedding actually began after stated time on the invitation
- 1 - # of missionaries on our team who have recently married a national
- 2 - # of toe nails Julian has lost since the toe accident a year ago (gross)
